

"ROCK 'N' BOWL"

Rock 'N' Bowl Bowling Center functioned in November 2003 with fundamental objective reviving the whole idea of bowling as an activity of amusement, in Larnaca and Famagusta region. It's a fully air-conditioned Bowling Center that has 15 bowling lanes offering enough ways of amusement from Fun Bowling up to the possibility of competitive professional bowling.

The building, having the possibility to offer continuous amusement, is separated in three floors and is equipped with big screens, televisions plasma and a sound system. There are cafeterias, playground and other entertainment facilities, as billiard tables, video games and bar. The exterior veranda is an ideal space where somebody can enjoy his coffee and relax with a lovely seaview.

Various athletic events can be organized at Rock 'N' Bowl Bowling Center but also musical concerts. Ideal space for school excursions, other events and parties, organized by companies and of course an ideal place for birthday parties for kids. Glow bowling is a unique experience that worth somebody to experience. An astonishing combination of music and bright environment with disco lights and black fluorescents lamps.

Closing the small referral to the Bowling Center that 8th FRIENDSHIP TOURNAMENT will take place, we would like to mention the excellent service and the warm environment that somebody will find as a visitor, which is a result of the owners' professionalism and love for the sport of bowling.
